2014 Cabernet Sauvignon, Linda Falls Vineyard Howell Mountain, Napa Valley

Winemaker's Notes:

The second vintage of our prized Linda Falls Vineyard Cabernet Sauvignon brings the bold and rich characteristics of Howell Mountain into the spotlight. This wine has a deep ruby color with crimson and purple hues. Although opulent, there is a great brightness and youth to the color.

The aroma immediately blossoms with notes of ripe blackberry, blueberry, tart cherry, fresh plums and cassis, lifted by notes of vanilla and baking spices from oak aging. A white floral element lingers in the glass, as well as honeysuckle notes. A wisp of savory, herbaceous aromas add a depth of complexity. Its full palate shows how refined and elegant a Howell Mountain wine can be; a firm tannin structure yet silky, with a juicy lingering finish. Undeniably made in the classic Heitz style, it has a liveliness to it with balanced acidity. This wine is ready to drink now but it will continue to reward for the next 10+ years.
